Home & Contract

Opposites attract. HORM and CASAMANIA have always had two different souls, imbued with a pure passion for research, quality and design. This catalogue represents the starting point of a new project: to make these historical champions of the Made in Italy production talk to each other, in the wake of their identity. Horm is the most rigorous, formal, elegant style, characterised by the skilful use of pure materials, such as wood, stone, marble and glass. Casamania has always played with irony, formal irreverence, the desire to break the mould in the name of functionality and research. The first has always been and will continue being an icon of style and refined elegance in the HOME, the second a model for the CONTRACT market. However, opposites attract, merge and multiply, offering infinite solutions of style, use and arrangement. Two identities that together want to break the rigid barriers of the market, placing People in its many activities at the heart of the project: thinking, sitting, resting, eating, working, studying, playing, sleeping, loving, dreaming, talking. Horm and Casamania: Home & Contract.

Gli opposti si attraggono. HORM e CASAMANIA hanno da sempre due anime distinte, intrise di pura passione per la ricerca, la qualità, il design. Questo Catalogo rappresenta l'inizio di un progetto: far dialogare questi pluridecennali campioni del Made in Italy, nel solco della loro identità. Horm è lo stile più rigoroso, formale, elegante, caratterizzato dal sapiente uso delle materie pure come il legno, la pietra, il marmo, il vetro. Casamania gioca da sempre con l'ironia, l'irriverenza formale, la voglia di rompere gli schemi nel segno della funzionalità e della ricerca. La prima è sempre stata e continuerà ad essere un'icona di stile e di raffinata eleganza in ambito HOME; la seconda è un modello per il mercato CONTRACT. Tuttavia gli opposti si attraggono, si fondono e si moltiplicano, offrendo infinite soluzioni di stile, di utilizzo, di collocazione. Due identità che unite vogliono rompere le rigide barriere del mercato, ponendo al centro del progetto l'Uomo nella sue molteplici attività: pensare, sedersi, riposare, mangiare, lavorare, studiare, giocare, dormire, amare, sognare, conversare. Horm e Casamania: Home & Contract.

Les opposés s'attirent. HORM et CASAMANIA ont toujours eu deux âmes distinctes, imprégnées d'une pure passion pour la recherche, la qualité et le design. Ce catalogue représente le début d'un projet: faire dialoguer ces pluridécennales champions du Made in Italy, dans la lignée de leur identité. Horm représente un style plus rigoureux, formel, élégant, caractérisé par une utilisation habile des matériaux purs comme le bois, la pierre, le marbre et le verre. Casamania a toujours joué avec l'ironie, l'irrévérence formelle, le désir de briser les schémas sous le signe de la fonctionnalité et de la recherche. La première a toujours été et continuera à être une icône de style et d'élégance raffinée dans le domaine HOME, la seconde est un modèle pour le marché CONTRACT. Cependant, les opposés s'attirent, fusionnent et se multiplient, en offrant des solutions infinies de style, d'utilisation et d'emplacement. Deux identités qui, ensemble, veulent briser les rigides barrières du marché, en plaçant l'Homme dans ses nombreuses activités au centre du projet: penser, s'asseoir, se reposer, manger, travailler, étudier, jouer, dormir, aimer, rêver, converser. Horm et Casamania: Home & Contract.

Gegensätze ziehen sich an. **HORM** und **CASAMANIA** hatten schon immer zwei verschiedene Seelen, durchdrungen von einer reinen Leidenschaft für Forschung, Qualität und Design. Dieser Katalog stellt den Beginn eines Projekts dar: diese jahrzehntelangen Meister des Made in Italy im Zuge ihrer Identität miteinander in Dialog zu bringen. Horm ist der rigoroseste, formalste und eleganteste Stil, der sich durch den geschickten Einsatz von reinen Materialien wie Holz, Stein, Marmor und Glas auszeichnet. Casamania setzte schon immer auf Ironie, formale Respeklosigkeit und den Wunsch, diese Klischees im Namen der Funktionalität und Forschung durchzubrechen. Die erste war und ist eine Ikone des Stils und der raffinierten Eleganz im Bereich HOME, die zweite ein Modell für den CONTRACT-Markt. Gegensätze ziehen sich jedoch an, verschmelzen und multiplizieren sich und bieten unendliche Lösungen für Stil, Nutzung und Anordnung. Zwei Identitäten, die gemeinsam die starren Barrieren des Marktes überwinden wollen, indem sie den Menschen in den Mittelpunkt des Projekts stellen: Denken, Sitzen, Ausruhen, Essen, Arbeiten, Studieren, Spielen, Schlafen, Lieben, Träumen, Sprechen. Horm und Casamania: Home & Contract.

Los opuestos se atraen. HORM y CASAMANIA siempre han tenido dos almas distintas, imbuidas de pura pasión por la investigación, la calidad y el diseño. Este catálogo representa el comienzo de un proyecto: un diálogo entre estos campeones del Made in Italy, partiendo de la identidad de cada uno de ellos. Horm es el estilo más riguroso, formal y elegante, caracterizado por un uso hábil de materiales puros como la madera, la piedra, el mármol y el vidrio. Casamania siempre ha jugado con la ironía, la irreverencia formal, el deseo de romper moldes en aras de la funcionalidad y la investigación. La primera ha sido siempre y lo seguirá siendo un icono de estilo y refinada elegancia en el ámbito HOME, la segunda es un referente del mercado CONTRACT. Sin embargo, los opuestos se atraen, se fusionan y se multiplican, aportando infinitas soluciones de estilo, uso y ubicación. Dos identidades que quieren romper juntas las rígidas barreras del mercado, colocando en el centro del proyecto al Ser Humano en sus múltiples actividades: pensar, sentarse, descansar, comer, trabajar, estudiar, jugar, dormir, amar, soñar, conversar.
