EN

Materials**Zero9, Zero9 Contract**

- Seat and backrest in scratch resistant polypropylene in various colours (some self-extinguishing colours available).
- Seat and backrest in scratch resistant polypropylene with panel padded with self-extinguishing shape-retaining flexible polyurethane.
- Seat and backrest in varnished natural beech plywood (also self-extinguishing), available on design in various stains and finishes.
- Backrest formed with black nylon frame covered with polyester mesh.

Zero9 Filo

- Seat and backrest in scratch resistant polypropylene in various colours (some colours available self-extinguishing), or upholstered panel.

Zero9 Table

- Writing tablet surfaced with plywood in natural beech colour or white with scratch resistant finish and edging in ABS with satin aluminium finish.

Base types**Zero9, Zero9 Table**

- Oval tubular steel frame, with feet or self-braking swivel castors and nylon alignment coupling. (1)

Zero9 Contract

- Seat supports and backrest in steel plate, supporting cross-member in rectangular steel section, folding legs in steel plate with nylon feet, or fixed leg. (4–5)

Zero9 Filo

- Steel rod frame.

Optional accessories**Zero9**

- Manual fold-away armrests in fibreglass reinforced polypropylene.
- Anti-panic removable writing tablet in HPL with die-cast polished aluminium frame. (3)

Zero9 Contract

- Fixed armrests in steel with top in polypropylene.
- Anti-panic removable writing tablet in HPL. (2)
- Seating side table surfaced in natural beech plywood or white with scratch resistant finish and edging in ABS with satin-aluminium finish.

Zero9 Filo

- Armrests in steel rod.
- Anti-panic writing tablet in polyester with polished die-cast aluminium joint.

Zero9 Table

- Front panel in perforated steel plate.

For all models, the metal frames are coated grey or white as standard. The details and armrests in polypropylene are grey or white as standard. (1)

IT

Materiali**Zero9, Zero9 Contract**

- Sedile e schienale in polipropilene antiriflesso di vari colori (alcuni colori disponibili autoestinguenti).
- Sedile e schienale in polipropilene antiriflesso con pannello imbottito con poliuretano flessibile indeformabile e autoestinguente.
- Sedile e schienale in multistrato di faggio verniciato al naturale (anche autoestinguente), disponibile su progetto in varie essenze e finiture.
- Schienale realizzato con telaio in nylon nero e rivestito con rete in poliestere.

FR

Matériaux**Zero9, Zero9 Contract**

- Assise et dossier en polypropylène anti-rayures de différents coloris (certains coloris sont disponibles en version autoextinguible).
- Assise et dossier en polypropylène anti-rayures avec panneau rembourré en polyuréthane flexible indéformable et autoextinguible.
- Assise et dossier en bois de hêtre multiplis verni au naturel (y compris en version autoextinguible), disponible sur projet dans différentes essences et finitions.

Zero9 Filo

- Sedile e schienale in polipropilene antiriflesso di vari colori (alcuni colori disponibili autoestinguenti) o pannello riportato tappezzato.

Zero9 Table

- Piano di scrittura rivestito in laminato color faggio naturale o bianco con finitura antiriflesso e bordo perimetrale in ABS con finitura alluminio satinato.

Base

Zero9, Zero9 Table

- Struttura in tubolare ellissoidale d'acciaio, con piedini o ruote piroettanti autofrenanti e aggancio di allineamento in nylon. (1)

Zero9 Contract

- Supporti del sedile e dello schienale in lamiera d'acciaio, trave portante in tubolare rettangolare d'acciaio, gambe mobili in lamiera d'acciaio con piedini in nylon o gamba fissa. (4–5)

Zero9 Filo

- Struttura in tondino d'acciaio.

Accessori opzionali**Zero9**

- Braccioli ribaltabili manualmente in polipropilene caricato fibra di vetro.
- Tavoletta di scrittura antipanico e rimovibile in HPL con struttura in alluminio pressofuso lucidato. (3)

Zero9 Contract

- Braccioli fissi in acciaio con top in polipropilene.
- Tavoletta di scrittura antipanico in HPL. (2)
- Tavolino interposto rivestito in laminato color faggio naturale o bianco con finitura antiriflesso e bordo perimetrale in ABS.

Zero9 Filo

- Structure en tubes d'acier à section elliptique, avec pieds ou roulettes pivotantes autofreinantes et crochet d'alignement en nylon. (1)

Accessoires en option**Zero9**

- Accoudoirs rabattables manuellement en polypropylène

con finitura alluminio satinato.

– Braccioli in tondino d'acciaio.

– Tavoletta di scrittura antipanico in poliestere con snodo in alluminio pressofuso lucidato.

Zero9 Filo

- Tablette écritoire anti-panique escamotable en HPL avec structure en aluminium moulé sous pression finition polie. (3)

Zero9 Table

- Pannello frontale in lamiera d'acciaio forata.
- Tablette écritoire anti-panique en HPL. (2)
- Tablette interposée revêtue en mélaminé couleur hêtre naturel ou blanc avec finition anti-rayures et périmètre en ABS avec finition en aluminium satiné.

Zero9 Table

- Panneau frontal en tôle d'acier perforée.
- Pour tous les modèles, les structures métalliques de série sont proposées peintes de couleur grise ou blanche ; les détails et les accoudoirs en polypropylène de série sont proposés en couleur grise ou blanche. (1)

DE

Materialien**Zero9, Zero9 Contract**

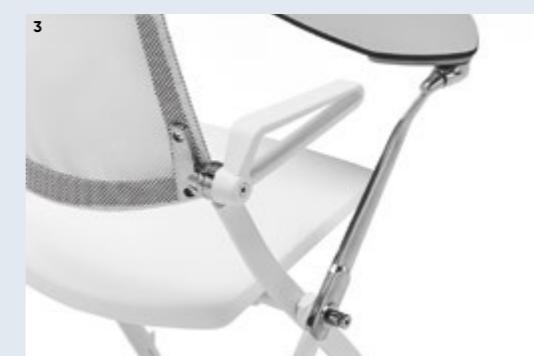

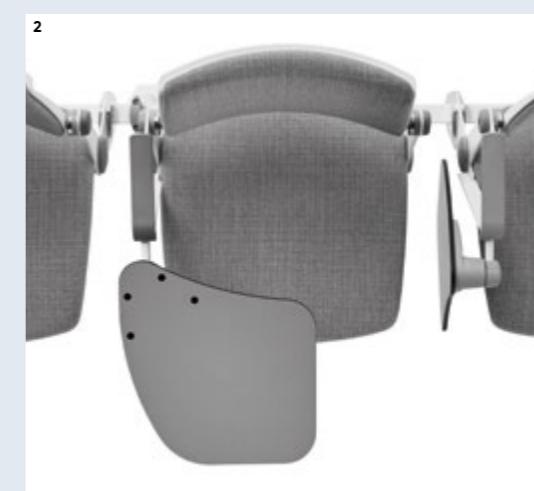

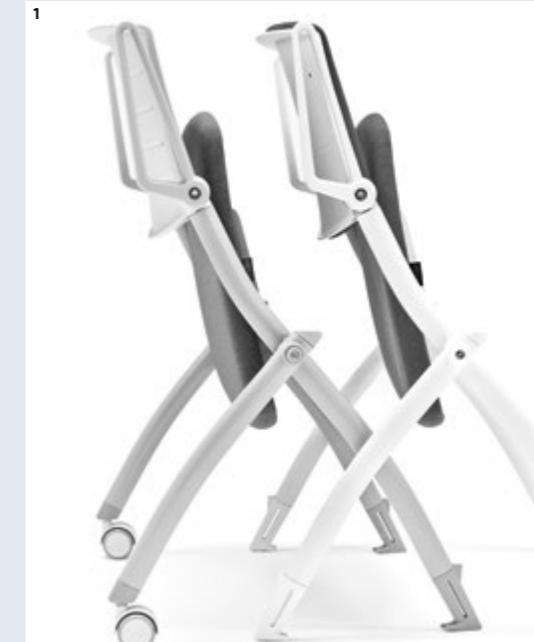

- Sitz und Rückenlehne aus kratzfestem Polypropylen in verschiedenen Farben (einige Farben sind selbstverlöschend erhältlich).
- Sitz und Rückenlehne aus kratzfestem Polypropylen mit flexibler, formstabilen, selbstverlöschender Polyurethan-Polsterung.
- Sitz und Rückenlehne aus Buchensperrholz, naturlackiert (auch selbstverlöschend), auf Wunsch in verschiedenen Hölzern und Oberflächen erhältlich.
- Rückenlehne mit schwarzem Nylonrahmen und einem Bezug aus Polyester-Netzgewebe.

Zero9 Filo

- Sitz und Rückenlehne aus kratzfestem Polypropylen in verschiedenen Farben (einige Farben sind selbstverlöschend erhältlich) oder mit gepolstertem Paneel.

Zero9 Table

- Schreibfläche laminatbeschichtet in Buche naturbelassen oder weiß mit kratzfester Oberfläche und Abschlusskante aus ABS mit satiniertem Aluminium-Finish.

Multipurpose**Zero9 Family****Grundmodelle****Zero9, Zero9 Table**

- Ellipsenförmige Stahlrohrkonstruktion, mit Füßen oder selbstbremsenden Lenkketten und Ausrichtungshaken aus Nylon. (1)

Zero9 Contract

- Sitz- und Rückenlehnenstützen aus Stahlblech, Tragbalken aus Vierkantröhre, bewegliche Beine aus Stahlblech mit Füßen aus Nylon oder festem Fuß. (4–5)

Zero9 Filo

- Stabstahlkonstruktion.

Sonderzubehörteile**Zero9**

- Manuell klappbare Armlehnen aus glasfaserverstärktem Polypropylen.
- Abnehmbares Anti-Panik-Schreibpult in HPL mit polierter Aluminiumdruckgussstruktur. (3)

Zero9 Contract

- Feste Armlehnen aus Stahl mit Polypropylen-Oberfläche.
- Anti-Panik-Schreibpult aus HPL. (2)
- Zwischentisch laminatbeschichtet in Buche naturbelassen oder weiß mit kratzfester Oberfläche und Abschlusskante aus ABS mit satiniertem Aluminium-Finish.

Zero9 Filo

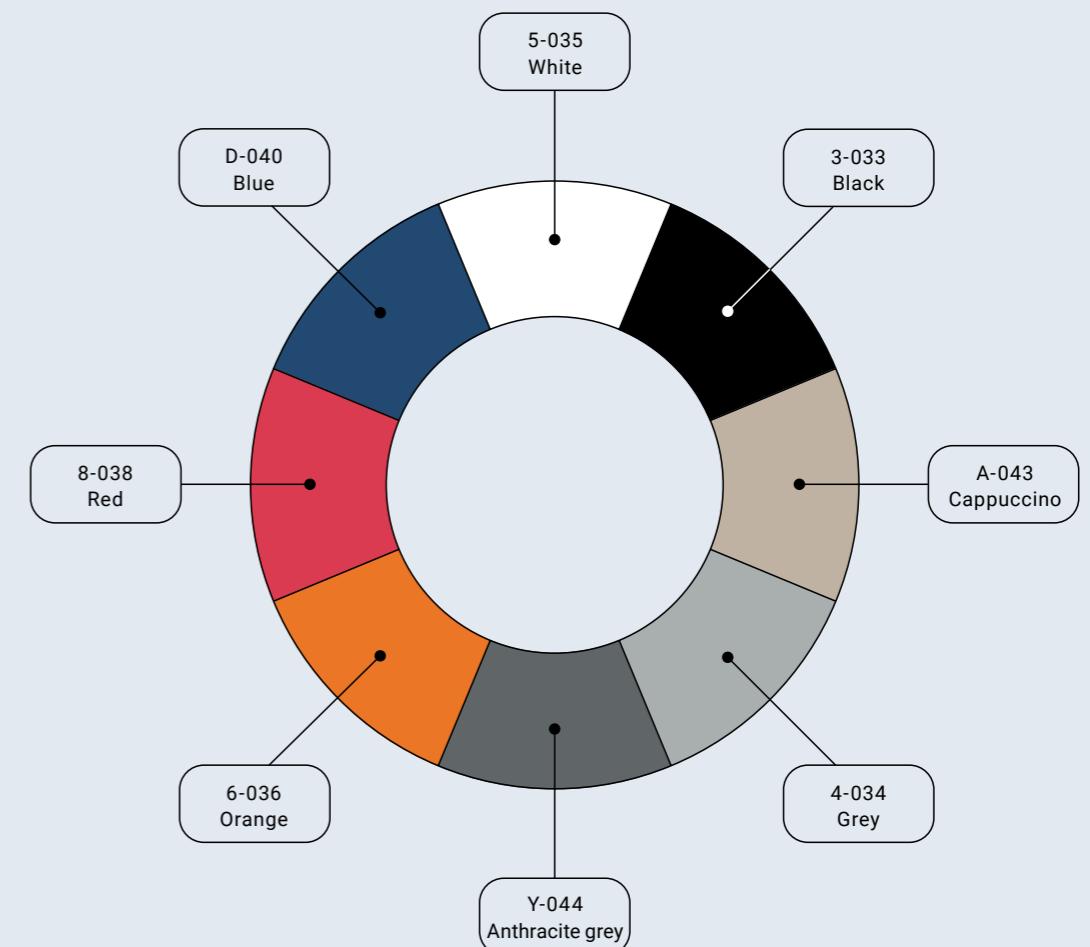

- Armlehnen aus Stahlrohr.
- Anti-Panik-Pult aus Polyester mit Gelenk aus poliertem Aluminiumdruckguss.

Zero9 Table

- Frontblende aus perforiertem Stahlblech.
Bei allen Modellen sind die Metallkonstruktionen standardmäßig grau oder weiß lackiert, die Details und die Armlehnen aus Polypropylen sind standardmäßig grau oder weiß. (1)

ES**Materiales****Zero9, Zero9 Contract**

- Asiento y respaldo de polipropileno resistente a los arañazos, disponible en varios colores (algunos de ellos autoextinguibles) o tapizados.
- Asiento y respaldo de polipropileno resistente a los arañazos con tablero acolchado en poliuretano flexible indeformable y autoextinguible.
- Asiento y respaldo en multicapa de haya barnizada al natural (también autoextinguible), disponible según el proyecto en diferentes modelos y acabados.
- Respaldo con estructura de nailon negro y tapizado con malla de poliéster.
