

Apero / Armchair

Design / Martin Drechsel

Apero takes the traditional, German, wooden chair and skilfully gives it a contemporary look. EMU's knowhow of working with metal makes the tubular metal seat and back appear light and airy, resulting in a fine, smooth silhouette, so that the light playing between the horizontal and vertical lines reflects an unusual pattern of squares. Its minimal, graphic, multi-purpose design discreetly adapts to any type of environment and style. The collection consists of a chair, armchair and bar stool.

Description

Code: **1301**

Typology: **Lounge Chairs**

Collection: **Apero**

Stackable: 6

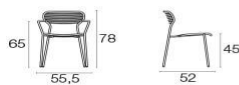

Static Load: 200 Kg

Cushion Material: Tessuto

Basic|Tessuto Standard

Seat Height: 45 cm

Technical Info

Width: **55.5 cm**

Depth: **52 cm**

Height: **78 cm**

Weight: **5.9 Kg**

Static Load: **200 Kg**

Packaging

Packages: **1**

Pieces for pack: **4**

Dimensions: **94x69x63 cm**

Volume: **0.408 mc**

Polyethylene bag and cardboard box

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosion process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
