

Re-trouve / Round table Ø105

Design / Patricia Urquiola

The Re-Trouvé collection originates in traditional forms rediscovered and reinterpreted with cleverness and originality by Patricia Urquiola. Re-Trouvé furniture conveys elegance and character in both classic contexts and contemporary settings. Geometric designs consisting of repeated diamond-shaped patterns create unusual and charming forms. Re-Trouvé blends naturally in every outdoor setting.

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosion process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
