

Thor / Chair
Design / Chiaramonte / Marin

Test
EN581-1 / EN581-2

Inspired by hand-forged metal, the Thor collection features characteristic lines enhanced by the unusual assembly of the elements. Thor includes two models, chair and stool, graced with an elegance that make them ideal for both residential and contract settings.

Description

Code: **655**
Typology: **Chairs**
Collection: **Thor**

Stackable: 8
Static Load: 200 Kg
Test: EN581-1 / EN581-2
Cushion Material: Polyester fabric

Technical Info

Width: **52 cm**
Depth: **55 cm**
Height: **80 cm**
Weight: **6.30 Kg**
Static Load: **200 Kg**

Packaging

Packages: **1**
Pieces for pack: **4**
Dimensions: **102x70x56 cm**
Volume: **0.399 mü**

Polyethylene bag and cardboard box

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.

Cushion Material

Polyester fabric
