Comme son nom l'indique Auguste est un luminaire majestueux, noble et solennel qui, dans sa simplicité, impose le respect de part son envergure et prestance. Son abat-jour, constitué de lanières de simili cuir tressées à la main sur une structure dorée, se dresse sur un pied en métal à 5 points lumineux pour ambiance ultra chaleureuse.

As its name indicates, Auguste is a majestic, noble and solemn luminaire which, in its simplicity, commands respect due to its scale and presence. Its lampshade, made of hand-woven imitation leather strips on a golden structure, stands on a metal base with 5 light points for an ultra warm atmosphere.

Anoka

Richard Duplessix

Anoka est la soeur jumelle d'Anoki. Semblables dans leur forme de base, elles ont, chacune, une identité propre dans les détails. Anoka est disponible dans des finitions de céramique réactive, la rendant très riche en texture mais se pare d'un abat-jour un peu plus conventionnel que Anoki, pour une question d'équilibre.

Anoka is Anoki's twin sister. Similar in their basic form, they each have their own identity in the details. Anoka is available in reactive ceramic finishes, making it very rich in texture but has a slightly more conventional lampshade than Anoki, for the sake of balance.

Javy

Olivier Toulouse

Javy nous amène vers un univers un peu fantaisiste: celui d'un champignon qui semble vouloir prendre son envol. Sur un pied en biscuit de céramique irrégulier, se dresse un abat-jour métallique aux couleurs vives qui renvoie la lumière de 3 points lumineux, bien cachés sous son chapeau.

Javy takes us to a somewhat fanciful universe: that of a mushroom which seems to want to take flight. On an irregular ceramic biscuit base, stands a brightly colored metal lampshade which reflects the light from 3 light points, well hidden under its cap.

Javy leva-nos até um universo de fantasia: o de um cogumelo que parece querer levantar voo. Sobre uma base irregular de chacota cerâmico, ergue-se um abajur de metal de cores vivas que reflete a luz de 3 pontos de luz, bem escondidos sob o seu chapéu.

Mathilda

Flam&Luce®

Mathilda est un hommage à la force féminine : une lampe qui non seulement éclaire, mais inspire. Un objet qui rappelle que même les formes les plus simples et les plus discrètes peuvent porter en elles la complexité d'une histoire riche et puissante. Cinq, le nombre de base, est un symbole d'équilibre dynamique et de transformation. Les formes évoquent la force des mathématiques et de la géométrie, tandis que le matériau céramique rappelle la chaleur et la fragilité humaine.

Mathilda is a tribute to feminine strength: a lamp that not only illuminates, but inspires. An object that reminds us that even the simplest and most discreet forms can carry within them the complexity of a rich and powerful story. Five, the base number, is a symbol of dynamic balance and transformation. The shapes evoke the strength of mathematics and geometry, while the ceramic material recalls warmth and human fragility.

Jessy

Flam&Luce®

Jessy est une lampe imposante qui jongle avec l'équilibre fragile des matériaux délicats. C'est en effet un globe de verre - soufflé bouche - fumé noir qui supporte une pile de 3 disques de chêne massif... comme pour défier les lois de la gravité.

Jessy is an imposing lamp that juggles with the fragile balance of delicate materials. It is in fact a globe of glass - mouth-blown - smoked black which supports a stack of 3 solid oak discs... as if to defy the laws of gravity.

Jessy é um candeeiro imponente que faz malabarismos com o equilíbrio frágil dos materiais delicados. Na verdade, é um globo de vidro - soprado - preto fumado que suporta uma pilha de 3 discos maciços de carvalho... como que para desafiar as leis da gravidade.

Quercus

FLAM&LUCÉ® 2024

Studio

C'est grâce au Quercus Suber que nous avons pu produire cet abat-jour. De son nom commun Chêne-Liège, nous récoltons ce matériau aux propriétés incroyables. Ici, les lanières de liège naturel sont torsadées, laissant à peine passer la lumière par les interstices. Le socle du lampadaire, en bois massif, souligne juste la pureté des formes organiques et intemporelles.

It is thanks to Quercus Suber that we were able to produce this lampshade. From its common name Cork Oak, we harvest this material with incredible properties. Here, the strips of natural cork are twisted, barely allowing light to pass through the gaps. The base of the floor lamp, in solid wood, just underlines the purity of the organic and timeless shapes.

Foi graças à Quercus Suber que conseguimos produzir este candeeiro. Do seu nome comum Sobreiro, colhemos este material com propriedades incríveis. Aqui, as tiras de cortiça natural são torcidas, mal deixando passar a luz pelas fendas. A base do candeeiro, em madeira maciça, apenas sublinha a pureza das formas orgânicas e intemporais.

Quel résultat obtiendrait-on en assemblant un peu de tout? Des motifs Pop Art, mes couleurs préférées du moment, des formes d'abat-jour classiques dans de nouvelles combinaisons, des formes féminines et masculines... tous réunis pour créer quelque chose qui plaît à l'œil. Il me semble que les personnes partageant les mêmes émotions sont naturellement attirées par les mêmes belles choses.

How would things look if you combine them? Pop Art patterns, my current favorite colors, classic lampshade shapes in new combinations, feminine and masculine forms.... all brought together to create something that pleases the eye. I believe that people with the same vibes are naturally drawn to the same beautiful things.

Como ficariam as coisas se você as combinasse? Padrões Pop Art, as minhas cores favoritas do momento, formatos clássicos de abajur em novas combinações, formas femininas e masculinas.... tudo reunido para criar algo que agrada aos olhos. Acredito que pessoas com as mesmas vibrações são naturalmente atraídas pelas mesmas coisas bonitas.

Voici le deuxième acte de cette opéra que nous avons commencé en Septembre. Si elle a commencé dans une ambiance POP et géométrique, voire psychadelique, la collection Carmen / Otello se veut maintenant ultra romantique avec des impressions organiques et animales sur des fonds aux couleurs douces.

Here is the second act of this opera that we started in September. If it began in a POP and geometric, even psychedelic, atmosphere, the Carmen / Otello collection is now intended to be ultra romantic with organic and animal prints on soft colored backgrounds.

Eis o segundo ato desta ópera que iniciámos em Setembro. Se começou num ambiente POP e geométrico, até psicadélico, a coleção Carmen / Otello pretende agora ser ultra romântica com estampados orgânicos e animais sobre fundos de cores suaves.

Quel résultat obtiendrait-on en assemblant un peu de tout?
Des motifs Pop Art, mes couleurs préférées du moment, des formes d'abat-jour classiques dans de nouvelles combinaisons, des formes féminines et masculines... tous réunis pour créer quelque chose qui plaît à l'œil. Il me semble que les personnes partageant les mêmes émotions sont naturellement attirées par les mêmes belles choses.

How would things look if you combine them?
Pop Art patterns, my current favorite colors, classic lampshade shapes in new combinations, feminine and masculine forms.... all brought together to create something that pleases the eye. I believe that people with the same vibes are naturally drawn to the same beautiful things.

Como ficariam as coisas se você as combinasse?
Padrões Pop Art, as minhas cores favoritas do momento, formatos clássicos de abajur em novas combinações, formas femininas e masculinas.... tudo reunido para criar algo que agrada aos olhos. Acredito que pessoas com as mesmas vibrações são naturalmente atraídas pelas mesmas coisas bonitas.

Voici le deuxième acte de cette opéra que nous avons commencé en Septembre. Si elle a commencé dans une ambiance POP et géométrique, voire psychadelique, la collection Carmen / Otello se veut maintenant ultra romantique avec des impressions organiques et animales sur des fonds aux couleurs douces.

Here is the second act of this opera that we started in September. If it began in a POP and geometric, even psychedelic, atmosphere, the Carmen / Otello collection is now intended to be ultra romantic with organic and animal prints on soft colored backgrounds.

Inspiré des lampes à pétrole d'antan, le luminaire LELLO nous fait voyager vers un univers de tradition avec un design moderne. Clairement "vintage", nous adorons cette touche "retro" qui a toute sa place dans nos intérieurs d'aujourd'hui.

Inspired by kerosene lamps that we used to know, the LELLO floorlamp takes us on a journey to a world of tradition with a modern design. Clearly "vintage", we love this "retro" touch which has its place in our interiors today.

Inspirado nas lâmpadas de querosene que conhecíamos, o candeeiro de pé LELLO leva-nos numa viagem a um mundo de tradição com um design moderno. Claramente “vintage”, adoramos este toque “retro” que hoje tem o seu lugar nos nossos interiores.
