¡Buenas noches! **Nap** es el nuevo sofá cama de **Rafa García**. Los detalles acolchados del textil se inspiran en los antiguos colchones de lana. En dos sencillos pasos conseguimos transformar el sofá en cama y viceversa. El cajón oculto bajo la estructura es ideal para guardar la ropa de cama y los cojines.

Good night! The **Nap** is a new sofa bed by **Rafa García**. The quilted details are inspired by the old woollen mattresses. The sofa is converted into a bed in only two movements, and vice versa. A small compartment hidden under the structure is ideal to keep the bed clothes and cushions tidy and out of sight.
