

METRO

Sofa
Art. no.: 2-165

Description:

Practical and modern

The three-seater sofa METRO is durable, stylish and comfortable. Combine it with other furniture in our collection to create a chic décor with a modern vibe. METRO can easily be turned into a bed if desired.

Year of design: 2009

Function:

Can be used as a comfortable single sleeper, just as it can be converted into a guest bed for 2 persons.

Sales Arguments:

Soft and inviting...

A modern sofa bed unlike any other, its durable design will allow it to serve as the hub of the family for many years. It is equally comfortable as a 3-seater sofa or as a single or double bed. The design is soft and inviting, and it can be combined to good effect with other products in the collection to create an individual interior space.
