SOFTLINE has come a long way since we started making furniture in 1979.

We have become an international brand by creating innovative, iconic and high-quality furniture, and our modern, colourful designs can be found all over the world. But one thing hasn't changed: all our modern upholstered furniture is still made in Denmark at our own factory.

With this catalogue we are proud to present the next generation of contemporary SOFTLINE furniture and our new design concepts and colours, created to meet the constantly changing needs of the global audience.
