

## Posidonia low table

by Ramón Esteve

Posidonia, the new collection of **designer outdoor furniture** is capable of creating an atmosphere of serenity and balance, awakening the user's sensibility and inviting them to enjoy every moment.

## Info

---

### Description

The Posidonia low tables, designed by Ramón Esteve, stand out for their thermo-lacquered aluminium structure, prepared to face different weather conditions, offering durability and lightness.

Their HPL surface is highly resistant to scratches, and they are available in different sizes.

In addition, a wide palette of colours allows you to create customised combinations of HPL surface and aluminium structure.

Weight: 20.15 Kg
