Concha, 905/A
sgabello alto \ barstool

Elemento distintivo della collezione Concha, arricchita dallo sgabello in due altezze, è l'avvolgente schienale imbottito e leggermente inclinato, la cui forma a conchiglia ne ha ispirato il nome. Con gambe in massello di rovere, Concha presenta linee essenziali che lo rendono un prodotto adatto ad ambienti domestici e spazi contract, all'insegna della massima versatilità.

The distinctive element of the Concha collection, enriched by the new two-height stool, is the enveloping padded and slightly inclined backrest, whose seashell shape inspired its name. With legs in solid oak wood, Concha has essential lines that make it a suitable product for domestic environments and contract spaces, in the name of maximum versatility.
