sgabello basso \
counter stool

La collezione Cut per indoor nasce dalla volontà di sviluppare una famiglia di sedute dalle forme ergonomiche e avvolgenti. Comfort ed eleganza si incontrano nel nuovo progetto di poltroncina e sgabello per interni, pensate per ampliare la proposta dining di Potocco destinata agli spazi più conviviali. Le gambe sottili in metallo goffrato sorreggono l'ampia e ospitale seduta a guscio interamente rivestita in tessuto sfoderabile.

The Cut collection for indoor was born from the desire to develop a family of seats with ergonomic and embracing shapes. Comfort and elegance meet in the new design of armchair and stool for indoor, designed to expand Potocco's dining proposal designed for more convivial spaces. The slender, embossed metal legs support the wide, hospitable shell seat fully upholstered in removable fabric.
