**Cut, 910/PLG**  
**lounge girevole \**  
*swivel lounge armchair*

Cut nasce dalla volontà di sviluppare una seduta dalle forme ergonomiche e avvolgenti. Il risultato è una poltrona lounge dall'aspetto leggero ed estremamente confortevole, grazie anche ai cuscini di seduta e poggiapiede, sostenuta da un'essenziale base in alluminio verniciato nero goffrato, proposta in due versioni: fissa e a quattro razze. I profili netti e le cuciture a vista in corrispondenza delle incisioni conferiscono alla seduta un look tailor-made. Accompagna la poltrona lounge l'omonimo poggiapiedi, con base fissa e a quattro razze, che ne riprende le caratteristiche estetiche.

*Cut comes from the desire to create a seating with ergonomic and embracing, wrapping forms. The result is a lounge armchair with a light and extremely comfortable look, thanks also to its seat and headrest cushions, supported by an essential embossed black painted aluminum base, available in two versions: fixed and four-star base. The profiles and the visible stitching in correspondence of the incisions give the seat a tailor-made look. The homonymous footrest, available with a fixed or four-star base, accompanies the lounge armchair, which resumes its aesthetic characteristics.*

## Informazioni tecniche \ Technical information

### Descrizione tecnica \ Technical description
