

BONALDO

Olos bed

Designer: Mauro Lipparini

The bed from the Olos family, designed by Mauro Lipparini and inspired by Nordic design, represents a new and evolved stylistic vision, characterized by a universal modernity and the ability to gracefully interpret the “night” world. Indeed, thanks to a unique aesthetic sensitivity and considerable harmony of volumes, the Olos collection allows you to fully enjoy that intimate serenity that

the bedroom requires. Contemporary elegance, purity of form and personality are the characteristics of this bed. The sober details of the curved wood represent the outer sections of the bed and their design extends into the elliptical, naturally enveloping headboard.
