

BONALDO

Fold

A stand-out, eye-catching piece featuring a bronzed or smoked glass frame that merges with the slightly folded mirror to become a single element. The frame, which is narrower at the top and gradually widens towards the base, creates two "wings" at the sides, producing an optical effect that gives the

mirror a feeling of lightness and movement. Fold is available with a bronzed glass frame and bronze effect mirror or with a smoked glass frame and lead effect mirror.
