

SPECIFICATION

Range: **DESIGN COLLECTION**

Design: **Caimi Lab**

- Codes: **463-BO (waste paper basket)**
465-BO (umbrella stand)
462-BO (umbrella stand)
464-BO (foldable umbrella and umbrella stand)

Description: Line of waste paper baskets of essential design, with rectangular and square shapes entirely made of steel, thickness 0.7 mm, epoxy powder-coated in matt white with folded top edge and anti-slip protection pads at the base. The collection is composed by a waste paper basket, a square umbrella stand, and two rectangular umbrella stands (one equipped with a removable tray for folding umbrellas). The umbrella stands are equipped with a tray to collect water drops in white techno polymer.

Detail of the removable tray for foldable umbrellas.
