

Mayday

■ F3780030 - Black

Designed by Konstantin Grcic

Multipurpose lighting appliance suitable for installation outdoors. Hook/handle, which also works as a cable winder, and an injection-moulded opaline conical diffuser made from sustainable polypropylene produced from industrial process waste. Button switch located on the handle. The light source is protected from atmospheric agents by a transparent airtight capsule made from sealed polymethyl methacrylate with an elastomer gasket that helps achieve a protection rating of IP 65. As no glue is used in the assembly process, Mayday is easy to dismantle so that every part can be properly recycled.

Main specifications

Mounting	Hand lamp	Ilcos	HSGSA
Environment	Indoor dry location	Autoprotected Lamp	Yes
Light source type	Bulb	Number of heads	1
Lamp category	Halogen	Source Power (W)	60
Lamp holder	E27		

Optical

Lighting Type	Total
Lighting distribution	Asymmetric
Cold Beam Lighting	No
Extreme Cut off	No

Electrical

Insulation class	II	Plug Type	Type C
Frequency (Hz)	50/60	Charging Min Time	No
Main Voltage (Vac)	220-250		
Batteries Inside	No		
Cord length (mm)	4850		

Physical

Colour	Black
Net weight (kg)	0.75
Gross weight (kg)	1.65
IP	20
IP external	20
