## **HOUE // THE STORY**

HOUE is a Danish design house founded in 2007. We combine great comfortability and design in our work. Therefore, we always put a lot of effort into our product development striving to meet a high standard of craftsmanship.

Our products are manufactured only on well-established factories with whom we have worked closely for several years. Our products are not random mass production – every detail, joint or component in our furniture is thoroughly chosen or invented by our experienced HOUE team to make a unique product.

We are driven by affordable luxury as a philosophy, by choosing the right materials and solutions. We draw from a proud heritage of Scandinavian design and craftsmanship. HOUE offers both an outdoor and indoor collection, always meeting our high standards in terms of design, price and quality.

## **PROJECT COLLECTION**

HOUE PROJECT collection is a selection of high quality outdoor furniture suitable for the contract market. Strong powder coated aluminum, UV protected plastic lamellas and bamboo parts keeps the maintenance to a minimum and the lightweight aluminum frames make the products easy to handle.

For any furniture project, we always place great emphasis on solving the task in the best possible way, aiming to be the preferred project partner and supplier of stylish outdoor furniture for projects all over the world.

CLIPS dining chair with black aluminum frame and lamellas.

## CLIPS DINING CHAIR

ALUMINUM ARMRESTS // BAMBOO ARMRESTS

CLIPS Dining chair is a versatile outdoor chair, that is stackable, light weight and easy to handle. The frame is made in powder coated aluminum and is strong and durable.

The large lamellas in UV protected plastic, are able to withstand most weather conditions, and keep the maintenance to a minimum. The CLIPS series is designed with comfort in mind and shaped to provide excellent cushion free comfort.
