NOTI

Shieldon is a comfortable swivel chair offering the user an opportunity to maintain individual space in open-plan venues. The high backrest of the chair extends to the side, ensuring privacy and acoustic comfort. The other side remains open, allowing unrestrained contact with the surroundings.

Two versions are offered: with high backrest on the right or left side. The seat, with its tilt and swivel capabilities, adjusts to user preferences, offering superior comfort of use.

The chair is designed for both commercial and residential premises.
