

design — Alexander Lorenz

Bon Bon, 770/TG-O
tavolo \ table

Il disegno a fasce intrecciate delle gambe in metallo caratterizza la famiglia di tavoli e tavolino Bon Bon. A scelta, l'essenziale piano è proposto in vetro o in una preziosa gamma di marmi. All'insegna della versatilità, la base del tavolo può essere modulata a seconda delle dimensioni del piano disponibile nelle versioni tonda e rettangolare.

The interwoven design of the metal legs characterizes the Bon Bon family of tables and coffee table. Optionally, the top is proposed in glass or in a refined range of marbles. In terms of versatility, the base of the table can be modulated according to the size of the top, which is available either in the round or rectangular version.
