Scheggia, 906/PLI
**poltrona seduta imbottita **
upholstered seat armchair

La poltrona Scheggia si rifà al motivo delle venature naturali del legno, a cui il modello si ispira, sviluppando il disegno in un'unica linea continua che unisce gambe, braccioli e schienale. La struttura, in massello di frassino rastremato ai bordi, si completa di una seduta interamente imbottita in tessuto o pelle.

The Scheggia armchair refers to the motif of the natural wood grain, which inspired the model, developing the design in a single continuous line that combines legs, armrests and backrest. The structure, in solid Ash wood tapered at the edges, is completed with a seat entirely upholstered in fabric or leather.
