Art. no.: 2-464

Description:

NUUK is an extremely versatile and comfortable chair. With integrated armrests in organic shapes and an airy, yet characteristic frame, it works equally well as a dining room chair and as a guest chair in the office.

The size and shape of the armrest makes the chair practical and suitable for a table, while providing lots of comfort for sitting and working. The chair is shaped to be welcoming and inviting and made in a durable, modern design.

Design: busk+hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with mini-mal embellishment, and they often get their inspiration from shapes and lines found in nature.

Flemming Busk has worked with SOFTLINE since 1999, where he won our idea competition with his simple yet brilliant sofa bed SLEEP. He has also specially designed, among other things, the HELLO chair for the world-famous pop star Kylie Minogue.
