Pouf  
Art. no.: 2-403

### Description:

The traditional square pouf has been given new life with a timeless design that's softened with rounded corners and staggered seams. SOFT SQUARE is an extremely versatile pouf for use in every imaginable decor, room or environment.

The popular pouf now comes with a custom-made tray as an optional accessory. The tray can be placed securely on top of the pouf and becomes a natural part of the design of the pouf with its rounded corners and carvings following the stitches of the upholstery.

The tray can be used separately as a useful and practical piece of furniture in the living Space.
