

## UNIT POUF

Pouf

### Description:

Unit is a range of poufs with a strong look and a playful air. And play is exactly what you can do with the Unit range. It consists of eight equally long sides that fit together in such a way that you can create an infinite variety of patterns just by moving the poufs around – your imagination is the limit. The Unit pouf is an exciting example of a piece of furniture that can be rearranged to vary its form and function in a changeable environment.

Year of design: 2016

### Design: Andreas Lund

Andreas Lund graduated from the Danish Design School in 2000. He has a studio in the centre of Copenhagen and has designed furniture and products for many Danish design companies, including Normann Copenhagen, Illums Bolighus and SOFTLINE. He teaches at the Danish Design School.

"For me design is a harmonious meeting between form and function, body and object. My ambition is to create quality everyday products with a personal, simple, graphic and classic look."
