MADISON WOOD

Art. no.: 2-497

Description:

MADISON WOOD is an uncomplicated sofa bed for sitting, chilling, or sleeping, that embraces the Scandinavian lifestyle of "hygge". With its handcrafted, fabric-covered armrests and pointed seam cushions, the MADISON WOOD sofa is pure elegance. The wooden armrests underline the identity, uniqueness, and ecological sustainability of this unique furniture design. The seat depth of MADISON WOOD invites you to lounge and chill. The upper seat cushion can be easily folded forward and a generous and comfortable space is created for sleeping and chilling.

Year of design: 2023

Design: Müller & Wulff

The design studio Müller Wulff (Thomas Müller and Jörg Wulff) was founded in Berlin in 2001. From there, the designers work for selected national and international companies designing furniture for private homes and offices. The overarching goal is to create an emotional and functional added value for the user by using a self-explanatory design language that clearly communicates the fundamental story behind each design. Müller Wulff has won a number of internationally renowned design awards: Red Dot Design Award, German Design Award, Good Design Award and Interior Innovation Award.
